GOOGPro
Global Organization of Oil and Gas Professionals Inc.

TRAIN AND WORK PROGRAM
Associate HSE Officers (Research) Needed in Ghana

1. Associate HSE Officers (research) – at a reputable downstream oil and gas company.
2. Associate Oil and Gas Information Officers – GOOGPro.
3. Membership Registration Executives (MRE) – GOOGPro.

Work will begin April 2024.

Monthly salary: US$ 400 – 550 (depending on your current qualification and experience)

The Cost of Health, Safety and Environment (HSE) in Oil and Gas Engineering

You are to pay only (40%) US$ 480 which is GHS 5,760 of the training fees of US$ 1200 (GHS 14,400) on or before November 02, 2023. The remaining 60% will be deducted from your monthly salary after the training by instalment over six (6) months period. You are also permitted to pay in two (GHS 2,880 x 2) equal installments if you are unable to pay the initial 40% (GHS 5,760) training fee at once. The remaining installment(s) may be deducted from your monthly allowance/salary when you start work. However, the first installment must be paid on or before the registration closing date (February 08, 2024).

NOTE

This special program and positions are now available to ONLY Ghanaians and non-Ghanaian resident in Ghana who are fresh graduates from technical schools, secondary school (SHS) and Universities. By signing onto this program means you are giving consent that you will be available for immediate training and fieldwork in Ghana. Training will be conducted online via Zoom on Monday February 12, 2024.

Are you interested? Scan the code below or visit the website to apply. If you are qualified, our system will send you an instant message by email and mobile text. After this stage, your application will again be manually reviewed and your training admission will be processed and forwarded to your email with details on your entire training and work orientation.

Closing date for application is February 05, 2024.
